

## Asphalt Remover

### Biodegradable Water Soluble Asphalt Remover

#### Product Description

Asphalt Remover is a heavy-duty, citrus based asphalt remover for spray or immersion applications in industrial maintenance shops. Asphalt Remover is powerful enough to handle the most difficult cleaning applications without compromising the safety of workers or the environment. It is safe and effective for cleaning metal parts, automotive engines, painted surfaces, heavy equipment, machinery, truck engines & frames, and most other cleaning applications where a water rinsed, biodegradable product is desirable.

#### Performance Features

- Harnesses The Natural Cleaning Power Of Citrus Oils
- Removes Asphalt, Grease, Oil, Ink, Sludge, Dirt, and Soot
- Will Not Affect Most Paints, Decals, Or Electrical Insulations In Normal Use
- Rinses Freely
- Fresh Citrus Scent
- Biodegradable and Environmentally Green

#### Physical Specifications

Physical State	Liquid
Appearance	Light Amber
Odor	Citrus
pH	Neutral
Rinseability	Excellent

#### Equipment Requirements

Asphalt Remover is safe for use with all standard spray or immersion type cleaning equipment.

#### Product Make-Up

Asphalt Remover is a concentrated industrial remover formulated to be used as is. Do NOT dilute.

#### Concentration and Application Methods

##### Heavy-Duty Asphalt Removal, Cleaning, & Degreasing

Apply at full concentration by dip, brush or non-atomizing spray. On heavily soiled surfaces scrub with brush. Rinse with fresh water, preferably high pressure.
