

Guard All III Interior Dressing and Tire Shine Protectant

Product Description

Guard All III is a premium quality, ready-to-use, interior dash dressing and tire shine protectant. It protects surfaces from weathering and ultra-violet rays and beautifies vehicle interior and exterior surfaces such as vinyl, rubber, leather, wood grain, and plastic. Guard All III also provides a lustrous, high gloss, protective finish to automotive tires.

Performance Features

- Formulated for Automotive Interior / Exterior Detailing
- Protects Surfaces from Weathering, Ultra-Violet Rays, Minor Scratches, and Wear & Tear
- Gives Tires a Lustrous, High Gloss, Protective Finish
- Safe for Vinyl, Rubber, Plastic, Leather, Wood Grain, and Plastic

Physical Specifications

pH	≈ Neutral

Product Make-Up

Guard All III is packaged ready-to-use. Do not dilute.

Concentration and Application Methods

Use full strength by spray, sponge, micro fiber, or shammy cloth. Clean surface with Seacole's Break or any other all-purpose cleaner prior to use. Apply Guard All III. Buff to desired luster with clean cloth. On exterior surfaces allow Guard All III to cure, approximately 30 minutes depending upon amount applied, prior to buffing.

Companion Products

Break, 918, 919, 919NA, Fresh Again, Total, Car Wash II, Release
