- Will Not Harm Concrete Or Common Shop Floor Sealers
- Contains No Caustic - Formulated For Employee Safety
- Seacole's Most Powerful Powdered Floor Cleaner
- Fresh Pine Scent
- Low Residue Formulation

Physical Specifications

Physical State	Powder
Appearance	Yellow
Odor	Pine
Rinseability	Excellent

Equipment Requirements

PFC II is safe for use with all standard floor cleaning equipment.

Product Make-Up

PFC II is a concentrated powdered floor soap. Dilute to specified strength concentrations.

Concentration and Application Methods

Heavy-Duty Floor Cleaning

Wet floor with fresh water. Sprinkle PFC II onto floor and directly on heavily soiled areas. Allow PFC II to penetrate oil, grease, and stains for a few minutes while scrubbing heavily soiled areas with a brush or broom. Follow with a fresh water rinse to eliminate residue.

Light-Duty Floor Cleaning

Dilute 4 oz to 16 oz of PFC per gallon of hot water and apply using conventional methods. Rinse with fresh water to eliminate residue.
