

PFC

Light / Medium-Duty Powdered Floor Cleaner

Product Description

PFC is a light to medium strength, non-butyl, powdered detergent for cleaning shop and plant floors. PFC will NOT harm or attack common shop floor sealants or concrete. PFC is Seacole's most economical floor cleaner.

Performance Features

- Effective In Removing Grease, Oil, and Stains Found In Warehouse, Shop, Plant, and Restaurant Floors
- Will Not Harm Or Attack Concrete Or Common Shop Floor Sealers
- Contains No Caustic - Formulated For Employee Safety
- Seacole's Most Economical Powdered Floor Cleaner
- Fresh Pine Scent

Physical Specifications

Physical State	Powder
Appearance	Orange
Odor	Pine
Rinseability	Excellent

Product Make-Up

PFC is a concentrated powdered floor soap. Dilute to specified strength concentrations.

Concentration and Application Methods

Medium-Duty Floor Cleaning

Wet floor with fresh water. Sprinkle PFC onto floor and directly on heavily soiled areas. Allow PFC to penetrate oil, grease, and stains for a few minutes while scrubbing heavily soiled areas with a brush or broom. Follow with a fresh water rinse to eliminate residue.

Light-Duty Floor Cleaning

Dilute 4 oz to 16 oz of PFC per gallon of hot water and apply using conventional methods. Rinse with fresh water to eliminate residue.

Companion Products

Break, Wipe Kleen, 919, 919NA, 612, 656, 747, 749, NOR, Fresh Again, Spray-Det
