

Blanket Wash

Non-VOC Solvent Replacement

Product Description

Blanket Wash is a premium quality, Non-VOC, biodegradable solution formulated for replacing conventional solvents in tough cleaning applications. Blanket Wash is a heavy-duty cleaner especially effective in cosmoline type protective coatings and tenacious road film. Blanket Wash is also capable of cleaning and degreasing machinery, engines, tractors, concrete, and asphalt. Blanket Wash rinses freely leaving a bright, film-free surface.

Performance Features

- Especially Effective in Removing Oil, Crater Compound, Cosmoline, Grease Or Asphalt Residues On Parts, Equipment, Vehicles or Other Hard Surfaces
- Safe On Virtually All Surfaces Including: Steel, Copper, Brass, Aluminum, Plastics, Rubber and Painted Surfaces (Non-Alkaline)
- Non-VOC By CARB Definition Per ASTM D1298
- Contains Specialty Surfactants for Superb Grease And Grime Removal
- Rinses Easily With Water
- Contains Only Low Toxicity, Biodegradable Ingredients To Protect Workers And The Environment

Physical Specifications

Physical State	Liquid
Appearance	Clear
Rinseability	Excellent
Foam	High
pH (Use Dilution)	≈ 11 - 12

Equipment Requirements

Blanket Wash is safe for use with all standard parts cleaning equipment.

Product Make-Up

Blanket Wash is packaged ready-to-use. Do NOT dilute.

Technical Data Sheet

Concentration and Application Methods

Parts Washers

Blanket Wash is a direct replacement for Stoddard solvent. Use and dispose of accordingly. Do not heat or dilute.

Heavy Duty Cleaning and Degreasing

Apply Blanket Wash at full concentration by dip, brush or spray. On heavily soiled surfaces scrub with brush. Rinse with fresh water, preferably high pressure.

Companion Products

Break, Wipe Kleen, 918, 919NA, 919, 612, 771, Fresh Again, Spray-Det, PFC II, Total, Release, NOR Deodorant, EZ Kits

Safety and Handling

Read and understand this products MSDS before handling.

Waste Treatment

Individual users should verify the nature of spent solutions to assure compliance with local, state, and federal regulations. Contact Seacole for specific details and/or further waste treatment recommendations.

Ordering Information

Blanket Wash is available 1 gallon cans, 5 gallon pails, and 55 gallon drums.
