

Seaclean 24

Heavy-Duty Soak Cleaner and Degreaser

Product Description

Seaclean 24 is a concentrated alkaline cleaner and degreaser specifically designed for copper, brass, steel and a complete line of ferrous metals.

Performance Features

- Easily Removes Soils, Grease, Organic And Carbon Residues From Metal Surfaces
- Works Quickly And Effectively Over A Wide Temperature Range
- Easily Rinseable Thus Reduces Rinse Cycle Time
- Biodegradable, Easy To Waste Treat
- Very Economical To Use
- Non-Chelated

Physical Specifications

Physical State	Liquid
Appearance	Brown
pH (Use Dilution)	> 13
Water Solubility	Complete
Rinseability	Excellent

Equipment Requirements

Tanks: Constructed Of Steel Or Stainless Steel 316.

Heating Coils: Constructed Of Cold Rolled Steel, Stainless Steel, Or Titanium.

Heating Control: Automatic Temperature Controls Are Recommended.

Ventilation: Follow As Required By Industrial Ventilation Book.

Product Make-Up

1. Fill tank $\frac{3}{4}$ full of clean water.
2. Add required amount of Seaclean 24. Refer to Concentration and Application Methods section.
3. Add water to level, mix well and heat to operating temperature.

Note: Seaclean 24 is an alkaline cleaner and must be added slowly to water. Heat may be generated by mixing.

Technical Data Sheet

Concentration and Application Methods

Heavy Duty Cleaning

Add 8 - 12% by volume of Seaclean 24 per gallon of water.

Calculation

Seaclean 24 volume needed (gallons) = Sump Capacity (gallons) x Desired Concentration (%)

Time

2 - 10 minutes depending on equipment type being used and level of concentration.

Temperature

140° - 180°F

Companion Products

See Seacole's 500 Mass and Metal Finishing Series.

Safety and Handling

Read and understand this products MSDS before handling.

Waste Treatment

Individual users should verify the nature of spent solutions to assure compliance with local, state, and federal regulations. Contact Seacole for specific details and/or further waste treatment recommendations.

Ordering Information

Seaclean 24 is available in 5 gallon pails and 55 gallon drums.
